I'm not robot!

Published: 18:58 bst, 10 December 2021 | Updated: 20:30 BST, 10 December 2021 seemed so unimaginably cruel, so repugnant, that for years it has been fired as an urban myth. He works, then that when hardened investigators were looking for evidence to nail perverted like Josh Duggar in the end saw a copy of Daisy's destruction stopped in tears and could not believe their eyes. The deformed film depicts an 18-month-old child hanging each one, beaten and tortured in what is widely considered by the application of the law as the greatest number gruesome example to date of "Hurtcore"-a subgenre with child pornography in to which the perverts take to see children in pain. It was just one of the horrible titles eliminated by ministries last week in the federal process of the former star of the reality TV Duggar, 33 years old, who faces decades in prison for unloading a beam of outlaw material. -Seven repeatedly sought the destruction of Y, according to the government. Josh Duggar smiles in his booking photo after being stated in accusations of child pornography at the Fayetteville Federal Court, the Australian Peter Scully of the Arkansas, is serving life sentence in the Philippines. He made the video "Hurtcore" Video Daisy's Destruction that for years was thought to be an urgent legend Josh Duggar, 33 years old, (pictured with his wife Anna Thursday) was judged guilty for two reasons for download and possession of the investigators of the childish pornography. He finds the video himself, but while they triggered in depth in his seized HP device they discovered two "Torrent File" Tellale, marked with DD and DD1. Be fed in the peer-to-peer software to identify and download the real thing on the dark network of BitTorrent. When James Fotrell, director Investigative Unit, punched the same file names into a government database of known child pornography his worst suspicions were confirmed. ¢ÃÂÂDD is associated with Daisy¢ÃÂÂs Destruction. It¢ÃÂÂs one of the most offensive video series that I¢ÃÂÂm familiar with throughout my career,¢ÃÂÂ Fottrell told jurors at a federal courthouse in Fayetteville, Arkansas. Daisy¢ÃÂÂs Destruction, he went on, depicted various depraved scenes including a distressed little girl child being tied upside down, beaten on the hands and feet and doused in hot wax.¢ÃÂÂThe infant is screaming and crying,¢Ã added Fottrell, whose extensive forensic analysis of the HP computer helped convict Duggar on charges of receipt and possession of child porn. Josh Duggar, when he was an innocent young childà As the once clean-cut star of TLC¢ÃÂÂs 19 Kids and Counting languishes in the Washington County Detention Center ahead of sentencing, DailyMail.com can reveal that the true story behind Daisy¢ÃÂAs Destruction is every bit as disturbing as the abuse outlined by Fottrell. The infamous video is the work of Australian predator Peter Scully, 58, who is currently serving a life sentence in the Philippines for human trafficking and raping minors. Scully fled Melbourne in 2011 after he was implicated in a multi-million dollar real estate scam and settled in Mindanao, where authorities say he launched a worldwide pedophile ring offering encrypted pay-per-view streams of children being viciously beaten and molested. Most of his victims were impoverished local kids procured from their parents for food or promises of work. Others were lured into his home by a harem of teenage prostitutes groomed to be his accomplices. One told 60 Minutes Australia in 2015 how she brought two young cousins back to Scully who kept them in chains and dog collars. He later ordered them to dig graves in the basement and threatened to bury them unless they carried out depraved sex acts. The series of comprising Daisy¢ÃÂÂs Destruction became Scully¢ÃÂÂs highest grossing production, with VIP pedophiles from the US, UK and Germany paying \$10,000 per viewing. But as it grew in infamy in pedophile forums and chatrooms across the globe it also brought him into the crosshairs of law enforcement, triggering an investigation in the Netherlands which grew into a global manhunt. Hunched over a computer in the shabby office of this now-defunct Arkansas car lot and hiding behind the anonymity afforded by the Dark Web, the dad-of-seven repeatedly searched for Daisy¢ÃÂÂs Destruction, according to the governmentà Josh and Anna Duggar, pictured with six of their seven young children, subscribed to a service in 2013 called Covenant Eyes that monitors adult internet use and would report 'objectionable material' to wife Anna, the court heard Anna - who attended every day of trial with her husband was convicted and taken into police custodyScully was tracked back to the Philippines where investigators located three of his victims, including the young child known as Daisy who was alive but deeply traumatized. His face was blurred on film but investigators recognized the monster¢ÂÂÂs Australian accent and arrested him in February 2015. Three years later Scully was convicted of one count of human trafficking and five counts of rape by sexual assault, the first of 75 charges he is still being tried for. Prosecutors said that many of the investigators, journalists and officials who watched and listened to his videos were reduced to tears. Scully is also charged with the murder of an 11-year-old girl whom authorities suspect he strangled with a rope and buried under a house he rented.¢ÃÂÂThey were the most devastating thing I have ever seen,¢Ã Ruby Malanog, one of the lawyers prosecuting Scully, told the Sydney Morning Herald in elibissecca eresse ebbertop enoizitrap aL .ovitisopsid ossets olled onretni'lla etnednepidni ovitarepo ametsis odnoces nu aerc ehc xuniL enoizitrap anu otamaihc otacilpmoc erawtfos nu otallatsni aveva onuclauq otavort onnah PH'l otaiduts onnah isnerof itaizneics ilq odnauQ '?elitnafni aifargonrop al otaciracs ah onuclauQ otavort onnah PH'l otaiduts onnah isnerof itaizneics ilq odnauQ otavort onnah PH'l otaiduts onnah isnerof itaizneics all otaciracs ah onuclauq otavort onnah PH'l otaiduts onnah isnerof itaizneics ilq odnauQ otavort onnah PH'l otaiduts onnah isnerof itaizneics all otaciracs ah onuclauQ otavort onnah PH'l otaiduts onnah isnerof itaizneics ilq odnauQ otavort onnah PH'l otaiduts onnah isnerof itaizneics ilq odnauQ otavort onnah isne ah e ,sasnakrA ,eladgnirpS a ,ossorgni'lla sracrotoM ,ragguD id etasu otua id airanoissecnoc alla PI ozziridni'l otaiccart ah ehc sdeF otazla "Ã is remlaK .enilno elitnafni aifargonrop id elif id enoisividnoc id otta'llen ilodnaruttac ilifodep arim ehc ruopnwoD laitnerroT otamaihc otazzilaiceps aizilop id ammargorp nu odnazzilitu avats remlaK .kcoR elttiL id aiziloP id otnemitrapiD led remlaK rebmA evitceted li noc am ,otitrevrep ortla nu noc non ,âilatigid ekahdnahâ eud id omirp li ottaf ah ametsis ous li odnauq 9102 oiggam 41 li ataizini "à ragguD id atudac aL .tnerroTu atamaihc reep-ot-reep enoizacilppa'nu odnazzilitu assiraM eires al emoc etuicsonoc onrop inigammi 06 id ¹Ãip e eiteewS toT yalP moM odeP iuc art, ilotit irtla isoremun otaciracs ah ehc otilibats onnah aivattuT. otacicossa tnerrot elif li otacrec e otacrec ah ehc otilibats onnah aivattuT otacicossa tnerrot elif li otacrec e otacrec ah ehc otilibats onnah aivattuT otacicossa tnerrot elif li otacrec e otacrec ah ehc otilibats onnah aivattuT otacicossa tnerrot elif li otacrec e otacrec ah ehc otilibats onnah aivattuT otacicossa tnerrot elif li otacrec e otacrec ah ehc otilibats onnah aivattuT otacicossa tnerrot elif li otacrec e otacrec ah ehc otilibats onnah aivattuT otacicossa tnerrot elif li otacrec e otacrec ah ehc otilibats onnah aivattuT otacicossa tnerrot elif li otacrec e otacrec ah ehc otilibats onnah aivattuT otacicossa tnerrot elif li otacrec e otacrec ah ehc otilibats onnah aivattuT otacicossa tnerrot elif li otacrec e otacrec ah ehc otilibats onnah aivattuT otacicossa tnerrot elif li otacrec e otacrec ah ehc otilibats onnah aivattuT otacicossa tnerrot elif li otacrec e otacrec ah ehc otilibats onnah aivattuT otacicossa tnerrot elif li otacrec e otacrec ah ehc otilibats onnah aivattuT otacicossa tnerrot elif li otacrec e otacrec ah ehc otilibats onnah aivattuT otacicossa tnerrot elif li otacrec e otacrec ah ehc otilibats onnah aivattuT otacicossa tnerrot elif li otacrec e otacrec ah ehc otilibats onnah aivattuT otacicossa tnerrot elif li otacrec e otacrec ah ehc otilibats onnah aivattuT otacrec e otacrec ah ehc otacrec e otacrec ah ehc otilibats onnah aivattuT otacrec e otacrec ah ehc otacrec e otacrec ah ehc otacrec e otacrec ah ehc otacrec e otac ragguDelitnafni aifargonrop id itaer rep otannadnoc otats eresse opod enoigirp ni otatrop eresse rep etroc allad aiv otatrop eresse rep etroc allad aiv otatrop eresse rep offirecS olled VUS nu ni ossem "A ragguD hsoJ .âinibmab ia esoc elleuq eraf avetop onuclauq ehc ... odnedev ovats ehc olleuq a erederc eliciffid otats A .ovalrap en ertnem aro oirporp eregnaip emoc otnes im Atlaer ni ...ovadraug il odnauq 2Ãdirg Restarting, hitting F9 and inserting the Intel1988 password - the same password used for Duggar's Internet Banking and Duggar Instagram and Twitter Twitter family provided the secret online space in which he could search, download, then delete child pornography, all behind the innocent veneer of a standard work computer with a background of his family. The court also heard from a close family friend this week that shed light on the harassment scandal that swallowed the Duggar in 2015, disfusing their healthy image and leading to the cancellation of their successful show.
